Thoughts from the President

As we transition from summer to fall, I think it is safe to say we have had a wonderful and very active summer at Chatmoss. The pool and Pavilion have been busy all summer – thanks to the pool staff and Stan and his group for providing great service all summer. The sports camps directed by Mike Weidl and PC Wells were well attended and provided fun for the kids and hopefully some relief for the parents.

The golf course has been very busy with a growing PGA Juniors program (24 participants), a very consistent and well supported Thursday Stag Night, Sunday Couples golf and two very successful tournaments – The Men's Chatmoss Invitational and the inaugural Chatmoss Classic – a professional GPRO tournament. The club and golf course had many positive comments from out of town participants in both of these tournaments. Thanks to R.E. Turner and his staff for having the golf course in incredible shape for these events. Also, thanks to the families who opened up their homes to many of the professional golfers during the GPRO tournament.

We had a "guest chef" dinner in July that was delicious and this was followed by a Portuguese Wine Dinner – both of these dinners were sold out with very positive reviews.

You may have noticed we are testing a new schedule for Sundays. Attendance for the Sunday brunch has gone down over the years so we will be having the Sunday brunch once a month instead of every Sunday. The Club will be offering a limited menu from 12:00 to 6:00 pm on those Sunday's without the brunch – with the bar staying open until 7:00 pm. We look forward to your feedback as we look to get the best possible Sunday schedule for the membership.

Please look for upcoming special events for September and October in the newsletter.

CAP-EX Fund Drive Update

Thanks to the generosity of our membership, major improvements have been made in many areas of the club. The next major project is the clubhouse and work will begin in early to mid-September initially focusing on the exterior of the clubhouse – mainly replacing the doors and repairing needed areas around the bay window at the entrance at the circular driveway. Replacing the doors is expensive but necessary.

The final phase of the Cap-Ex project will be updating the interior of the club. It is important that we finish this part of the project as the interior of the clubhouse affects the entire membership. We are very close to completing a major league update to our club – but we need to get to the finish line. If you have not donated or pledged to this campaign, please consider doing so. If you have already done so, thank you – and please consider an additional contribution if you are able.

We have a lot to be proud of in Chatmoss Country Club – the club is an integral part of all of our lives here in Martinsville. Let's do what we can to get the club in tip top shade for many years to come.

Thanks for your support of Chatmoss and I look forward to seeing you at the club.

By the way – The Chatmoss Sweep is up to \$600.00 with the drawing on the 2nd Wednesday of each month -- must be in attendance to win!!

Gus Barber
President

Comments from the Clubhouse Manager

It is so hard to believe that the kids are back in school and summertime fun has passed. Not to worry, fun things are being planned for the fall. Labor Day should be fun and the Member Guest is in September. We always have our Halloween event to anticipate, other events are being planned for September and October. Watch for emails.

For September, we have Sunday ala carte for the first four Sundays, and we will have a Sunday Brunch Buffet on September 29. October will feature ala carte on the first three Sundays and a brunch buffet on the last Sunday of the month. After that, we will return to the Traditional Sunday Brunch through December 15.

Please book your Christmas parties as soon as you can, so you can get the date you would like.

Thank you for supporting your Club and the Cap Ex Project.

Judy Chaney
Clubhouse Manager

Comments from the Operations Manager

It is time to close the books on another summer here at Chatmoss. I feel that it was a successful season and I expect us to build on the positive momentum.

The pool will be closing soon and I would like to thank Cameron Light and the lifeguard staff for a good summer. The improvements to the pool look great and we will continue to try to enhance the pool experience.

R E Turner and the golf course staff have kept the course in superb condition. We had two major golf events this summer, the 58th Chatmoss Invitational in late July and the inaugural edition of the Chatmoss Classic G Pro Tour professional event in August. The course held up well for both events and the maintenance staff should be commended for their extra effort.

Our third PGA Junior League season had our most participation to date. 23 kids played this season and we hope to build on that number in the coming years. Thank you to Robert Weinerth and Jerry Wood for all their work during the season.

The school season has begun which means after school tennis clinics will begin. Mike Weidl and Cordie Burnette do an excellent job conducting these fun clinics for different age and skill levels. The tennis complex is adding a high level exhibition match and social this fall season , so please make plans to attend this fun event.

Chef Joe Lilly and his staff continue to prepare excellent dishes and he is working with the House Committee to grow more events. One such event, The Guest Chef Night in August, was met with rave reviews. Please come and join us for lunch or dinner.

Thank you to the membership for all of your help.

P. C. Wells

The winners were selected from over 100 comment cards. All feedback from members is important to us. Please take time to complete the comment cards.

We would like to congratulate Brandon Grogan for winning our 60th Chatmoss Invitational with a score of 140. Great playing!!!

Chatmoss hosted their first ever G Pro event which was a huge success. Many players were housed by our gracious members. Many of our members followed their players throughout the event. Chatmoss also hosted a Pro-am event on the Sunday before the tournament and a clinic, long drive contest and a closest to the pin contest Tuesday afternoon after the first round was completed. All of our events were highly supported by our membership.

Our PGA Jr. league has been completed for the season. We had a wonderful tum out with a total of 23 juniors. Our All-Star team came in third place in the regional tournament. Our juniors are improving significantly. We are very proud of these young junior players.

Please sign up for our Chatmoss One-Day Member-Guest on October 11th and our 4-Ball tournament on October 19th-20th.

Thanks,

Robert Weinerth

The tournaments are winding down and we have survived. The Invitational and the G-Pro tournaments went well. My staff worked very hard to get the course in good shape. Many thanks go to members and Greg Rustin for their help. George and Mac Frye have been here to see me and they think all is well. Mac was most impressed with the bunkers. I've got a lot to do to get ready for winter time: spraying, top dressing, etc. I will be glad to get rid of these 90 degree days.

Thanks,

R.E. Turner, III
Golf Course Superintendent

Fitness Center

Summer time is a busy time filled with outdoor activities and trips. If you have gotten out of the routine of getting to the fitness center, we look forward to you getting back into the groove in the fall. We are going to have the schedule online and in print for you to reference. The monthly calendar will be available to take in the workout facility when you come by.

Summer is coming to an end and school is starting up, this signals the time to get back in the gym and on our mats & bikes. We have had great attendance at so many of our spinning and group classes and we look forward to seeing everyone through the fall. Some of you guys participated in the 30 day challenge during August. I hope this was a fun and rewarding challenge. A great way to start of the school year with a new fitness challenge.

Please check the website and posted schedules in the fitness center for upcoming classes or when your favorite instructor is teaching next. The fall brings everyone into more of a routine and we hope that you will make fitness at Chatmoss Country Club a part of your school year routine. I would really like to thank all of our instructors for everything they do to make Chatmoss Fitness such a success. Their sacrifice of time and love of fitness is what make Chatmoss fitness so much fun.

Raquel Williams Sysco Chef

Bio of Guest Chef in October

A California native, Raquel moved to Virginia in the 80's. Before joining Sysco in 2018, she worked in many different culinary environments, including fine and casual dining, as well as catering & healthcare.

Raquel's family owns a farm where she fondly shares stories of a family tradition butchering hogs, and processing right on the family's farm. When she is not cooking, she enjoys reading cookbooks and spending time with her family, which includes 5 children, 10 grandchildren, a cat and a dog.

When asked about her favorite food, her immediate reply was "Tacos!" Raquel enjoys cooking Caribbean, Latino and Southern Twist to global foods. Raquel can talk for hours about food, passion coming through as she speaks and shares ideas.

Raquel attended Marist College studying Human Services, soon realizing she had the love for art and utilizing her hands. Raquel decided to study Cosmetology and is licensed and enjoys creating happy friends and family. Raquel realized her true passion was in food and soon joined the industry working her way up the ladder, working under many talented chefs, grooming to eventually work in Chef leadership roles. Raquel was a long-time customer of Sysco, and once an opportunity presented itself she applied for the Culinary Consultant position. Raquel enjoys working with the diverse Chef Community, that Sysco gives her the opportunity weekly.
