Thoughts from the President

Good news, I want to report that our membership marketing effort totaled 53 new members! We are extremely pleased with the results. Even more pleased with the balance of the membership categories, we have 12 new junior members. They are the future of the club and I couldn't be more pleased with the number of junior members we now have!

The Member-Guest was a big success. It was a great weekend and everyone thoroughly enjoyed the new greens, the condition of the whole golf course, Friday night's party and the camaraderie.

We are in the process of cleaning up the latest tree work project. This never happens as quickly as we would like but Jody and his crew are working diligently to make those areas look more presentable. We have been burning the debris piles and doing a lot of grading. Six weeks of no rain hasn't helped.

September was an excellent month for the club with the course open; we have been able to host a number of golf outings that had been postponed, several class reunions, dance club, wine night, and the weekly specials. I would encourage all of you to take advantage of what our wonderful club has to offer.

Congratulations are in order for our Tennis Director, Mike Weidl, and his team, for winning the USTA National Championship, Age 40 and over, in Las Vegas in September. If you see Mike, please congratulate him.

I want to thank the members who did such a great job encouraging the new members to join. Our members are our best ambassadors and your effort made the Membership Marketing effort work. We have a full slate of events coming up this fall. Your participation is welcomed and encouraged. They all are a lot of fun and I know you will enjoy them. Thanks again for all of your support as we work to make Chatmoss one of the premier country clubs in Virginia.

Bill Sibbick
President

Comments from the Clubhouse Manager

This year is passing very quickly; it is hard to believe that we are planning Thanksgiving, Christmas and a brand New Year. 2017 has been a busy year with the greens renovation, the membership drive, and the dance club, just to mention a few. Our tournaments and Pink Week were huge successes. We truly appreciate your support of these events as well as support for dining services. The members of Chatmoss are truly special people.

Please check out the upcoming events and make your reservations early, as the next two months are filling up quickly. Please call me any time to schedule an event. I love to hear from you.

Again, thank you so much for your support!

Judy Chaney
Clubhouse Manager

Comments from the Operations Manager

November and December bring happy times to Chatmoss, family and friends from out of the area reunite and often tell me of fond Chatmoss memories. Or I encounter people that say, “I never realized what a great place Chatmoss is,” I look forward to hearing more of those stories this holiday season. Please consider us for your holiday plans.

Our new membership campaign was a great success and I welcome all of you to Chatmoss. The staff and I want everyone to enjoy themselves and we want to meet your expectations. I look forward to getting to know each of you as time passes.

We have ended our pool contract with Carolina Pool Management and we will be staffing and managing the pool in house next season. We will hire a pool manager to oversee lifeguard and pool maintenance concerns. Member input concerning programs, hours of operation, or general suggestions are always welcomed.

Please remember that the Board of Governors and management are looking to improve the club facilities and your member experience. The golf course improvements look terrific and we will try to build on that success.

P. C. Wells
Operations Manager

Congratulations!

To the winners of our
“Sunday Brunch for Two”

September
Mrs. Patricia Wardzala
October
Mr. & Mrs. Joe Williams

The winners were selected from over 100 comment cards.

All feedback from members is important to us. Please take time to complete the comment cards.

Fall is in the air! It is October 17, and Chatmoss Country club looks fantastic. Our fairways are plush and our greens are healthy. We would like to express appreciation to Jody And Gus for the outstanding job for putting Chatmoss on the map again. Thanks to all of our members who, through their loyalty and contributions, making it possible to attract VSGA events to the area again.

As soon as we opened, we hit the ground running by hosting several tournaments. The Putts for Mutts SPCA Tournament, The Chatmoss Member Guest, The MCPS Endowment Tournament, The Pink for the Week, The One Day Day Member Guest, The Member Member, the Club Championship, the President's Cup, The Pumpkin Open, The Chamber Tournament were well supported by the membership. The Chatmoss Fall Four Ball is coming early in November, and we expect it to be well supported. We have received outstanding reviews from everyone. Congratulations to Frank Shelton and partner, Mike Meyers, who won a hard-fought battle against Dean Johnston and Rob Thorton to be the 2017 Member Guest Champions.

Our PGA Junior League was a huge success in our first year. Our team, combined with a team from Danville, made it to the post season. Thanks to PC and his involvement and work with our juniors. We have plans to have two teams next year consisting of 20 juniors. This is a great program for juniors, and Chatmoss is a great place to grow this Junior League. We look forward to 2018 and a new season of Junior Golfers.

The final tournament, scheduled for the 2017 season, is one that is guaranteed to be a festive event. The Reindeer Tournament, December 14, has always been a hit to kick off the holiday season. You might want to sign up. Santa is watching!

Robert Weinerth

What a busy year it has been! A lot has happened since this time last year when we were just getting ready to undertake a bold change to the golf course's greatest asset. I think everyone can agree the change has been well received. The new greens and new views will both improve a great deal over the next season. I am very excited to take the greens into a management routine next summer.

The condition of the greens was severely set back by the washouts during sprigging. They have come a long way but are still suffering some effects of unevenness. The reps from Champion have visited several times to monitor and help us with the grow in. Right now because of the unevenness we are limited to how low we cut. We would scalp and severely stress out areas going into winter which is not a good idea. We found anything below 1/8" was too aggressive this summer in late August. Champion recommends we get them growing going into June next season, then get aggressive. Scalp the greens down, bury them in heavy topdressing, and use some hand-held tools to work the sand into the depressions. This may have to be done a second time, but will go a long way toward smoothing the surface and allowing us to take height of cut lower. Once we get that surface smoothness right, then it becomes a matter of grooming and light topdressings just to maintain the proper mat layer which gives the greens the firmness and speed we are looking for.

Right now we are preparing the greens for winter. Fungicide apps for Spring Dead Spot prevention are being made now, along with our last granular app of potassium to harden the plant off for winter. We will have to be on top of keeping moisture in the greens this winter and will be applying wetting agents monthly to help keep them from drying out too much. We will also be spraying a green pigment with a liquid iron source that helps keep color in the plant. I'll also be looking into the possibility of painting the greens during the winter. Some guys do it, but a lot are saying the pigments keep good enough color and that with the tarps, some never go completely dormant. That remains to be seen, as we are colder in the winter than some of the North Carolina courses.

There is certainly a learning curve. Thank you for your patience during the renovation, grow in and now as we go through this first year. We definitely have improved our greens substantially, and I really believe they will be fantastic once we let them mature.

Tennis

As we turn the calendar to November another year of outdoor tennis is coming to an end. We do not have a set date when we will be closing the outdoor courts. We will let mother nature dictate that to us. When the low during the night drops below 30 degrees we will experience some freezing of the courts. The greatest impact of this is the following day as the temperature rebounds and the courts thaw out they will be both wet and soft. Please check with the Pro shop about the condition of the outdoor courts if you have any question about their playability.

The holiday season is right around the corner. Remember the Tennis Pro shop for your holiday needs. We are fully stocked with Chatmoss logo wear. This includes pullovers tees and tanks. We do offer Gift Certificates if you like to insure they pick what they like. They can be given in any amount you wish.

Many of you have already committed to an indoor time with your group. There is still availability for anyone who may like to get a court for the winter season. Contract time costs are listed below. The cost would be divided among the members of the group.

90 minutes \$650.00 — 120 minutes \$800.00

We are offering non-members the opportunity to purchase unused indoor court time. This only gives the non-member the opportunity to play during their indoor time. If you have a non-member that would like to join an indoor contract with our members please let me know and I can give you the cost for the court. If you have any questions please feel to contact us in the Tennis Pro shop.

I want to thank Beth Sibbick and Carin Gregory for all their work in making the Annual Pink for the Week event such a success. We had a great time with the tennis tournament and Pickleball and we are already looking forward to 2018. Thanks again for all you guys do.

Holiday Hours

Fitness Center

This time of year is filled with Holiday activities. Shopping, Cooking, traveling and visiting with friends can make it difficult to find time to come work out. The hours of the fitness center allows for you to have the flexibility to come in and get a work out in when time permits. Fitness center hours are 5:30 am – 9:00 pm. Finding a time to work out during this busy time will make you feel better and more energetic. Please check our group class schedule to see if there is a class that you may like to attend to help with your workout routine. Remember any class you attend for the first time is free of charge for members. Please sign in prior to working out. If you have a guest with you please sign them in with you. The guest fee for them is \$10.00.

We offer various price points for our group classes. You can pay by the class at \$10.00 per class. A 10 class card for \$80.00. Unlimited month pass for \$85.00. A 10 class card can be a great gift for that person who is working out.

Personal Training can be a great way to change up your workout routine. We have two trainers on staff Lori Strachan and Sharon Minish. They can tailor a workout to meet your needs. If you need any information about personal training or our group classes please call the tennis pro shop and we will be glad to help however we can.

We send out a schedule of classes for the upcoming week on Sundays. If you are not receiving these emails let us know so we can get you added. Please check the fitness calendar in the upcoming months for our class schedule. The classes will be on a different schedule during the holidays.

If you have any fitness questions fell free to contact us in the pro shop.

Serving It Up From Chef Joe

The Holidays are approaching quickly. Thanksgiving is just a few weeks. It reminds me of what a quick year it has been and how good it is to reminisce about family, friends, good times, and good food.

With the quick pace of the Holidays, just remember to take time and enjoy the Club with a relaxing evening or bring the family and friends in for dinner or lunch. Let us do the entertaining for you.

Watch for all the upcoming Holiday events scheduled in the next couple of months, and be sure to check our social media for upcoming events. The Club calendar is filling up quickly, so if you need to book a party, please contact Judy.

Happy Holidays,

Chef William "Joe" Lilly
